

# YOU'RE AMAZING!

Ron,

I wanted to take a moment and thank you for coming out to the Arlington Chamber of Commerce to speak to us. Your talk was both informative and humorous. As the leader of this group of business owners and executives, I received a great deal of feedback, letting me know that your presentation was much appreciated and greatly valued. They have already asked if we can schedule you as a regular presenter. Everyone felt you had great advice on how to become more successful. Your rags to riches story was very inspiring for the group. Thank you again for the effort you made to help us.
