Dear Ron,

On behalf of the FADRA Board of Directors and our entire Membership, I wish to thank you for your participation at the 2009 Convention of the Florida Auto Dismantlers & Recyclers Association, held in Orlando, Florida. We were all very grateful for your outstanding presentations on Friday. We received such great feedback from the attendees on all three of your seminars and I know everyone benefited from hearing you speak.

It was great to have you join us again and we appreciate your willingness to take time out of your busy schedule to address the membership!

Again, thank you for your participation and assistance in making the FADRA Annual Convention a successful one. We hope to have you join us again in the future.

Sincerely,

Terry Thompson  
FADRA President
